

**Down the Ridgeway by Sue Rosoman (inks)**

The Icknield Way (or Ridgeway) is part of an old drover's road which runs from East Anglia to Wiltshire.

Artist Sue Rosoman says, "My spirits are always lifted when I walk on 'my bit' of the Ridgeway. It is the one place that doesn't change although everything else around us seems to. I love watching the wildlife and the colours change with the seasons. I find peace and tranquillity and have met some wonderful people enjoying the same space."
