

The Chilterns Woodland Award

Chilterns woodland owners and managers, public and private, are invited to apply for this annual Award.

The Award will be made for woods or tree work demonstrating the best management, whether your principal focus is:

-  Wildlife conservation
-  Sustainable silviculture or
-  Public benefit (recreation, access, landscape, historic value)

Applications

Anyone who would like their wood or tree work considered for the award can complete the attached form and send it to the Chilterns Conservation Board Office.

There is no limit to the sort of wood which could be eligible: newly-planted arable farmland; traditional sporting estate; commercial plantations; community woodlands and ancient semi-natural woods would all be considered.

The Award

Applications must be received by 31st July. The judging panel will include local experts in forestry and environmental management.

All entrants will be notified of the judging dates and award details soon after the closing date.
