

Ashridge Estate Walks

Walks likely to be suitable for people with impaired mobility and users of wheelchairs, mobility scooters and pushchairs

The Ashridge Estate is a large area of ancient woodland and downland on the top of the Chilterns escarpment. There is car parking, visitor centre, toilets and refreshments available.

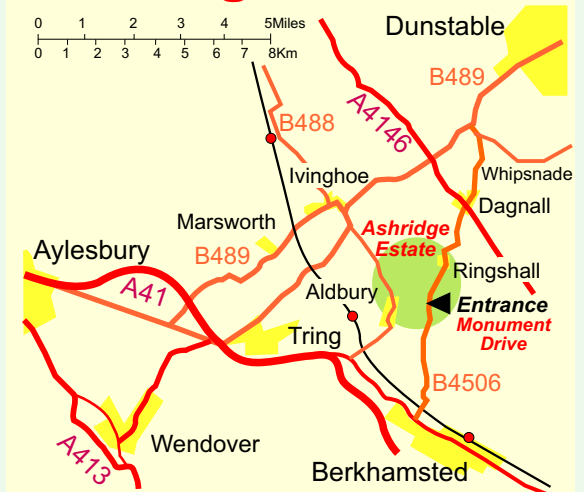

Path Information

There are two routes with a firm surface and no stiles, gates or other obstructions. The 1km circular route around Medleys Meadow is flat with a firm surface. The longer 2km linear route to Clipperdown has a more natural surface and some gentle slopes. For those wanting to explore there are many natural “challenging” paths but you must not use the National Trust self-drive mobility scooters to explore these. The map shows the two routes with information about surfacing and slopes to help you to decide if they are suitable for you.
